---

**1.As a potential employer I might also require a cover letter and a completed application form from you:**

Of course when you ask me for,I will provided them.

**2.As your professional mentor I would also like to see more projects in your portfolio in the future:**

Yes,I will try to create new projects as soon as possible so I can upload my work to my site.

**3.As a potential employer I want to be able to see your social media links in your CV so that I can learn more about you:**

Right now I don't have any social media but soon enough I will create and upload them here.
